A quiet wave spread throughout my body.
The wave soon grew larger and larger...

And that was just the beginning.

Blink
Oh, a dream

That woman in the dream was really pretty
From that day forward...

...I began to have strange dreams every night.
fwish!
In the beginning, I kept seeing a very beautiful woman with long hair, wearing old-fashioned clothes.
Hee heee. Was this how she did it?
I wish I could move like that pretty lady too...
Hah!
Yah!

Oh... I didn't realize it was already 8 OO
Waaaah!

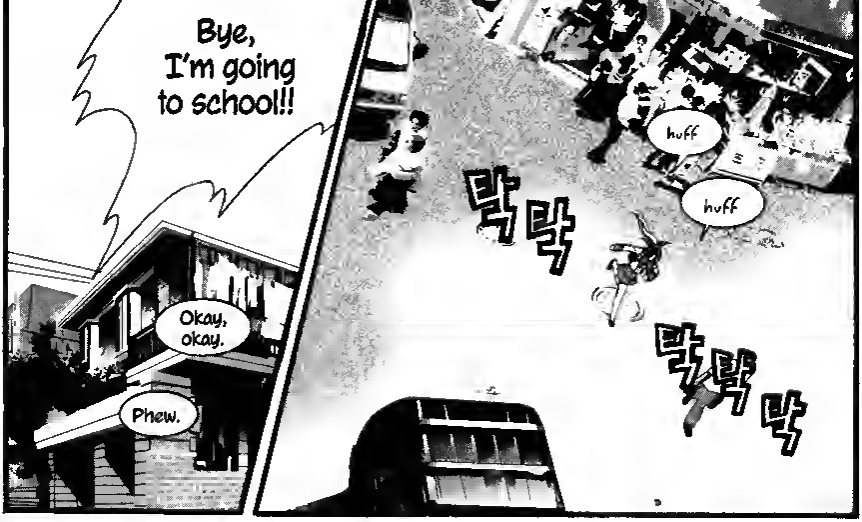
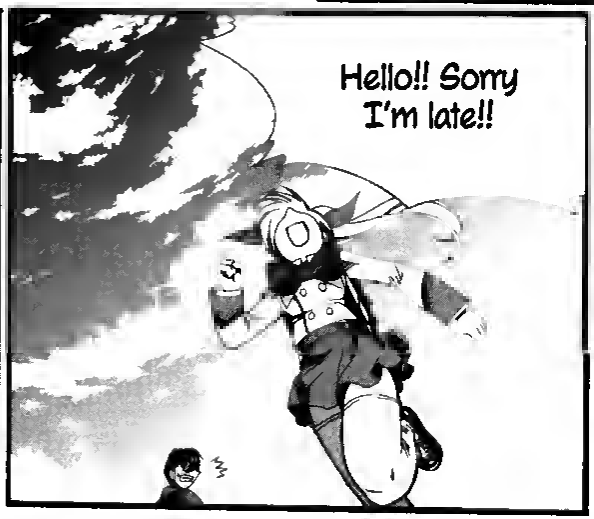
I'm screwed!! I'm too late to meet up with my friends!
Ah!
So clumsy...
If you have to be somewhere...
...why can't you wake yourself up on time?
Sorry!



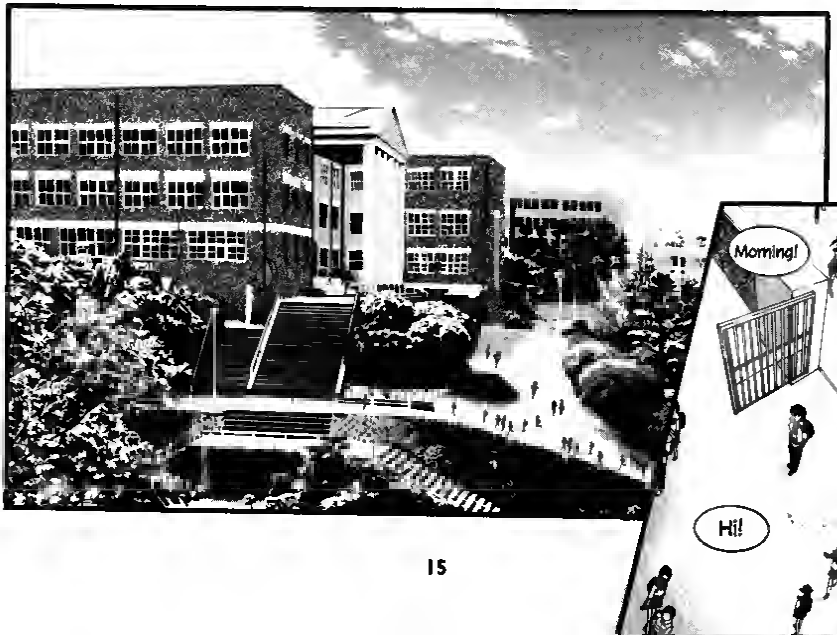
...I've developed the ability to see strange things.



Lin...
Lin...
Ha ha ha ha ha!
Lin...
In fact...
...I can see ghosts.

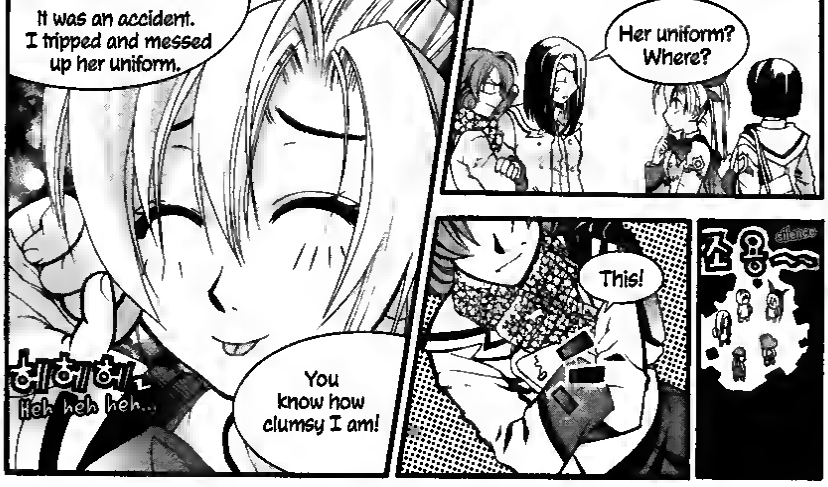
Since I met them...

...I've been happy.



Oh, Lin!
Hey.
Nana! Yumi!
What a surprise! Lin, why so early?
Hee hee. Actually, I overslept today
I figured.
But this is usually the time we go to school. Lin, you're so diligent!
Eh heh heh...
It was so hard to get up this early!
Hey, you should do this every morning. We can go together!!
Hee hee. Should I?
Lin Seonu!

How long has it been since we've seen your face?
It's been much too long.
We were starting to think you were trying to avoid us.
You got the money, or what?
Hey, you!! What d'you think you're doing to Lin?!
Nana! Wait!
I-It's my fault!!



It was an accident. I tripped and messed up her uniform.
헤헤헤
Heh heh heh...
You know how clumsy I am!
Her uniform? Where?

Huh?!
What're you talking about?

The weird dream I had on my 16th birthday...

It was definitely out of the ordinary for me, but it wasn't a problem.

Not yet.
Huh? Where am I?
Oh. I'm having another dream.
Huh?
Who's that? A boy?!

He-- he saw me!!
Eh????
What did you say?
I can't hear you!

For some reason, I want to see him again.
It would've been nice if I could've at least heard his voice.
Gasp!!
If you're not too busy, would you go renew this at the library for me?
Of course!
I couldn't have fallen in love with a guy from my dream, could I?! Oh no, oh no...
Lin.
아잉~
아잉~

Okay, I'll get going. The one in Hansol, right?
Yes, that one.
Hmph. The librarian there is so sour. We just can't get along. How can so many good books be under the control of a person like that??
Mwa ha ha ha.♡

Lin...
It's early yet, so you'll probably be fine, but...
...come back home before it gets dark, okay?
Yes, I will.
Be careful.
Actually, when I was little...
...something really scary happened to me.

I was attacked by these horrible monsters...
...and I lost my mother.

The strange dream I had when I turned 16...
...might have been presaged the night of that attack.
Your father has a problem.
I know he's a busy writer, but it doesn't matter how busy he is...
...if he keeps returning books late, it's going to be a problem.
I suppose he sent you to run his errands so I can't scold him.
Hee hee
And I just don't understand why he's reading these difficult books!! Hmph! Here! Take it!!
Oh, thank you!

And don't forget-- the most important thing is--you *must not damage the book!*
Hmph!
If there's even a small mark on it, you will pay for it!
Yes, I'll be careful.
Scary...

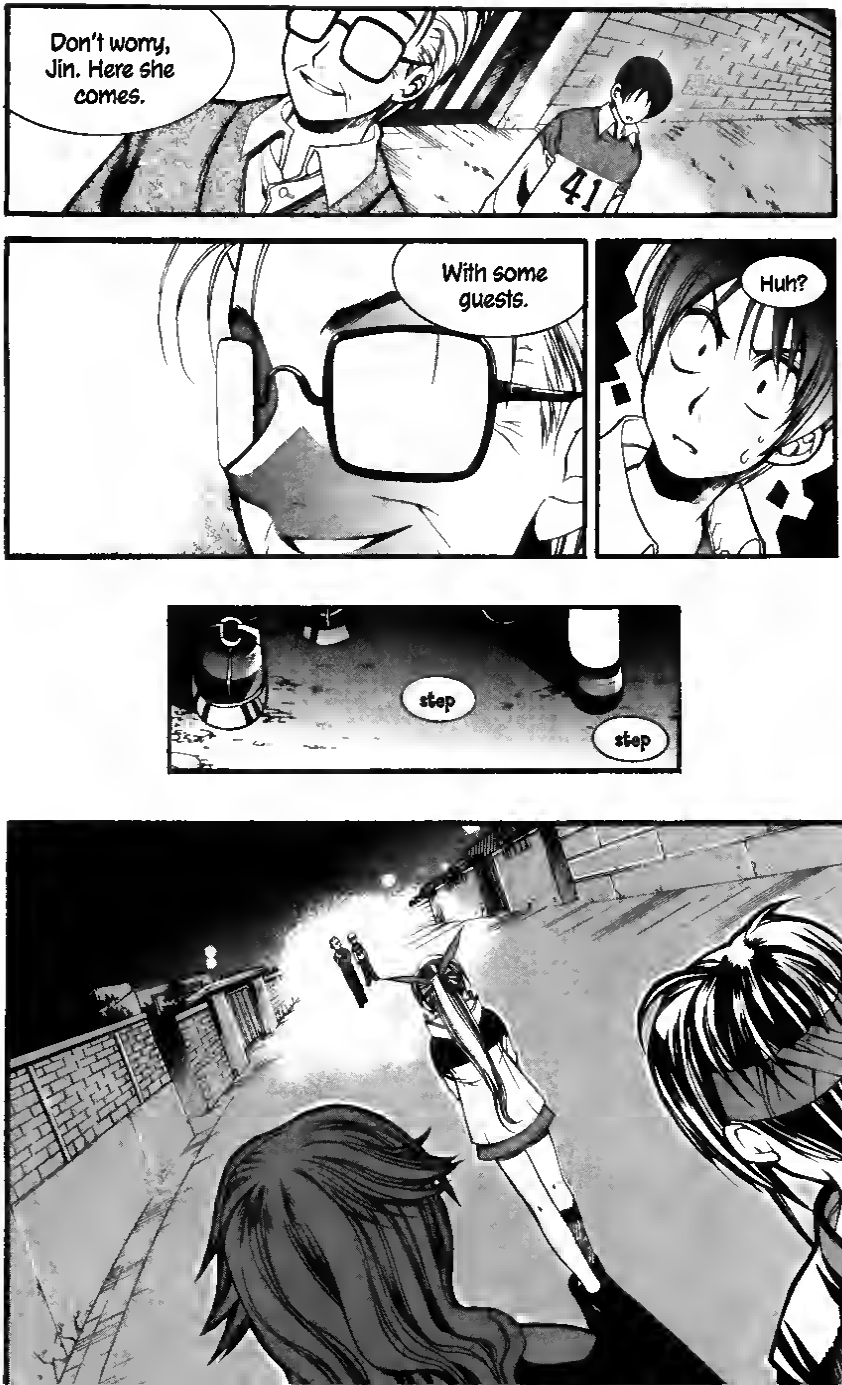
In the beginning was one enormous energy source, and the world existed in a constant cycle of extinction and creation.
Because of this energy, when the world was about to sink into chaos again...
...just one phoenix could seal that massive force--the Jade of Bango, the creator of all.
Today, there is only one person who can embrace the Jade of Bango--the Saint.

The Saint of...
...the Jade of Bango.
The Saint of the Jade of Bango?
W-what are you talking about?
A Saint .Jade of Bango... I don't know what you're talking about.
Y-yes, I think you've mistaken me for someone else.
No.
꽉!
Gwik-ja!

Without a doubt, you are our Saint.
The only one who can embrace the Jade of Bango.
That sole divine being... is you.
It's a pleasure to meet you, Lin Seonu. My name is Hoan Chen.
And...

...we came here to protect you, Miss Lin.
Dad!! Lin's not back yet!
Something must've happened to her!



Don't worry, Jin. Here she comes.
41
With some guests.
Huh?

Dad...
It's been a long time, teacher.

Ha ha ha! Teacher, you've gotten so old!! You used to be such a stud, but now it looks like I should be calling you grandpa!
You're unrecognizable too, Hoan! You used to be so young. Looks like you're an old maid now!!
까 아~
와앙
ha ha ha
ha ha ha
Ha ha ha! In your old age, your unkempt image has gotten even uglier!
Ha ha ha ha! Hoan, your temper has only gotten nastier over the years!
Ha ha ha ha! Teacher, you always were good at this!
You can't outdo me! Ha ha!
.....
hee hee hee
ha ha ha ha
uhm
You haven't changed at all, Teacher.
Neither have you, Hoan.
오오오~
오오오~

What's going on? Who's that loud lady?
!!
Beats me.
But...
...they're... the ones who saved my life.
Anyway, Hoan, the fact that you've come here...
...means that the time has arrived.
Huh?
You're right, Teacher!

Listen closely, Miss Lin Seonu...
You heard the story earlier. *You* are the Saint of the Jade of Bango.
What? A... Saint?

Yes, our Saint of the Jade of Bango.
What you've been experiencing is not just a dream, an illusion, or a fantasy.
Everything that you see is *real.*
It probably began for you with strange dreams-- trances to awaken your consciousness to the existence of your Sainthood.
??
!!
After you awakened as a Saint, we followed your light and came here.
Yes, your *light.*
The Jade of Bango may be described as a collection of enormous energy.
Miss Lin, the divine light inside you is that of the Jade of Bango.

It appeared out of nowhere one day.
This universe, before it had the heavens or the earth, was in a state of chaos.
But even in that chaos, there was a boundless amount of energy. One day, the separate wisps of energy began to join their powers.
That is to say, they all gathered in one place and radiated power to encourage each other's development
And the enormous power that gathered is what we call the Jade of Bango.

That jewel thing is that powerful?
The power of the Jade of Bango is enormous. It created this world as well as exterminating all that came before.
Creation and destruction began this cycle.
How many creations have come before this one is something unimaginable to mankind.
grin
Eek! Why are you looking at me like that?!
No matter how many times the heavens and earth have been created and extinguished...
...the phoenix once again seals the destruction that the Jade of Bango calls forth.
The Jade of Bango, through the seal of the phoenix, is born again as a woman.
Through her, the world is able to make a clean sweep and start anew.
The phoenix then delivers the girl who is the Jade of Bango...
...to someone in the world, and leaves instructions.
"The Jade of Bango will not completely disappear. When my power is spent, it will call forth destruction once again."
"You must watch over her until she comes of age."

When the phoenix uses all of its power to seal the Jade of Bango...
...it disappears.
Hold on! This is impossible!
Yes. ♡
Miss Lin Seonu, you are the only Saint who can seal the Jade of Bango.

The more I hear...
Who do you think you are, coming in here and saying all that stuff?!
A Saint?! Creation this! Extinction that!
Talking about stuff you can't possibly know!!
왓!
쾅!
왓!
왓!
First of all, my clumsy and ditzy sister...
It makes no sense that she could be something so amazing!!
Ha ha ha....
Sorry
긁긁 scratch
긁긁 scratch
Yeah, she sees ghosts... and she can talk with them!
And she was attacked by a monster when she was little, but...I'm telling you, she's a normal 16-year-old!!
Already that makes her abnormal
How could my powerless daughter do something so amazing?
Yes, my daughter is a normal 16-year-old.
!!

Eh? Hoan...?
Dad?
41
Hmph!!
You already know the answer to that.
You're so sly, Teacher.
Before the phoenix disappears, when the power sealed inside the Jade of Bango is exhausted...
...it is prophesied that the Jade of Bango will call destruction to the earth again--which means the annihilation of this world.

In preparation for that, when the phoenix has exhausted its power...
...it burns itself on the earth
The young girl who holds the phoenix's powe
the young girl Saint who embraces the Jade of Bango--is born to protect it. This is her mission
And...
...only the husband of the Saint can become the Guardian, and at the hour of destruction, he will seal the Jade of Bango.

Husband...?!
휴우우우
whoooosh
Let me introduce him. He is the one chosen for this honor.
Uh-uh!!!!

I'm only a freshman.

I just turned 16.

And he's...

Dealing with him will probably turn me into a hunchback...
Yes, you must think of your age.
Okay, In Mu.
Just wait--I'll be there soon.

It's not a ghost or a person, but something's here.
It wasn't that bastard's energy?
Things are about to get complicated.

Ha ha ha ha!! The Saint of the Jade of Bango is all mine!!
Excuse me? I'm starting to get airsick...

Chunji.
You are the seventh generation of only sons from a senior family of the Promised Land.
For thousands of years, the Guardian has always come from the Ho family.
And this time too, without fail, the Guardian must come from the Ho family.
The husband of the Saint of the Jade of Bango must be from the Ho family.

Ha ha ha ha!!

Right?

Uh...
Yes. I am... Lin Seonu.

Is the Saint a polygamist?
There'd be no reason.
But...
Listen carefully, little lady.

The Guardian who was with you is a fake!!
Eh?
You're being fooled.
And that lady who's tagging along...

Those bozos are really dangerous.
So you gotta come with me and--
...
So *that's* it!!
You must've come to save me from bad guys!!
Thank you!!

What kind of ditz is she?!
I mean, it's easier for me if she's so gullible, but...
You're amazing.
You must be a really good person.
Is she really a Saint? She seems kinda dumb.
But...

But my husband isn't a bad man. I know that.
You've got the wrong idea.
My husband is a very warm person.
Eh?
So...
Hee hee...
Shut up!!

You're saying that...bastard... that bastard is a good person?
"I'll remember your name, Chunji Ho."
That stupid bastard?!
"My name is..."
"No. One day, we will meet again."
"I'll let you know my name then."

D'you think I'll let just anyone become your husband?!
I am your husband!!
It's me, Chunji!!

This guy...
So from now on, think of this as a romantic getaway--

What the heck do you think you're doing?
Chunji.
Hmph! You remember my name. What an honor.

My husband!
You know how great a sin it is to kidnap the Saint?
Hmph!
Kidnap?
I don't have to take that from you!
You used dirty tricks to get picked as Guardian.

I don't have time to discuss your strengths and weaknesses.
No one is allowed to interfere with my mission, even someone from the Promised Land.
Sigh...
Stupid idiot.
What?!
What happened between us long ago. I don't care.
I'm going to kill you.
Heh heh. Is that so?
I'd like to see you try.

Dear husband...

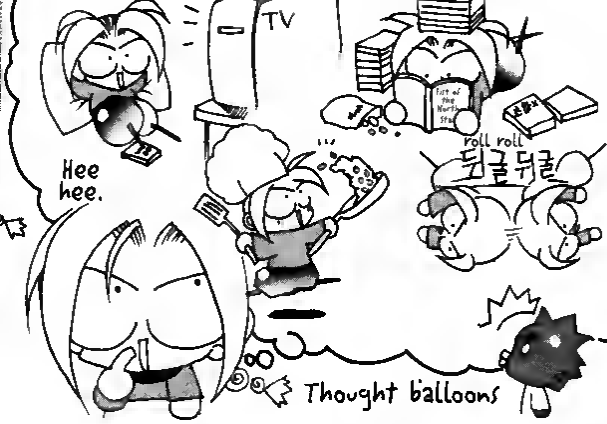
Hi there! I'm Jin-Ju Yim.
And I'm Ae-Ju Yim.
It seems like just yesterday that we started Jade of Bango, but we're already done with volume one!
Oh, unbelievable!
Oh, don't be a drama queen!
We're finally seeing the fruit of our blood, sweat and tears-- considering we're actually people...
Honk!
Hee hee



Well, I guess the part where I stayed up for nights on end to write the manuscript, then fainted due to overexertion and was rushed to the ER!
My biggest fault is that I'm just too diligent...

Yes! I am the author, Ae-Ju Yim. Finally, Jade of Bango volume one!! It's... volume one!! I'm so moved! Yay!! Applause!! If any of you waited for this, thank you. If we sisters were less lazy and more diligent, then we could have finished this sooner. We'll try harder for volume two!! More effort!! If this brings you joy, then we have nothing more to hope for! Thank you for everything.

◀ Unusual romance ruins his image. ★ Chunji is used as a scapegoat. (Moment of silence... -_-;;;)
